How to eat a doughnut

I got very upset when Mr. Bing tried to eat me, so here’s how to make sure a doughnut never gets mad at YOU:

1. Hold it in your hand, then look at it and ask, “Do you mind if I eat you?”

2. Listen carefully. Wait a few seconds.

3. If it doesn’t say anything, then go ahead and eat it!

There you go! Oh, and remember—do-nut eat me!
Crafts and Activities

Make your own Arnie the Doughnut!

What you’ll need:

Paper plate • Scissors • Markers or crayons • Popsicle sticks • Glue

How to make Arnie:

1. With an adult’s help, cut a hole in the middle of your paper plate.
2. Draw two eyes on the top of the plate and a mouth on the bottom.
3. Color in Arnie’s frosting and sprinkles.
4. Glue two popsicle sticks to the bottom of the plate for Arnie’s legs.
5. Glue one popsicle stick on each side for Arnie’s arms.
6. Let it dry!
How to Draw Arnies the Doughnut

1. Draw his eyes—two circles with dots in the middle.

2. Draw a big circle starting on the side of one eye and bring it down and around to the side of his other eye. Then connect it between his eyes.

3. Add a smaller circle in the middle for the doughnut hole.

4. Draw a squiggly frosting line all around the inside of the big circle.

5. Add a big, open smile.

6. Draw arms and legs.

7. Cover him with sprinkles and you're done!

I have 135 including my eyebrows!
Learn to Speak UFONut!

In The Adventures of Arnie the Doughnut: Invasion of the Ufonuts, Arnie meets aliens from space who speak a very unusual language.

If a word starts with a CONSONANT or a group of consonants, just move it/them to the end of the word. Then add UT.

**Example:**
- **Pie** → **IEP** → **IEPUT**
- **Crust** → **USTCR** → **USTCRUT**

If a word starts with a vowel—a, e, i, o, and u—like EYE, OWN, and UNDER, just add NUT at the end.

**Example:**
- **EyeNut**
- **OwnNut**
- **UnderNut**

Now that you can speak UFONut, try to figure out these sentences and write out the translations on the lines below.
