# Spot the Differences

There are seven differences between these two images.  
Can you find them all?

1. Balloon at top 2. Balloon at bottom 3. Extra teeth 4. Strawberry on cake 5. Decorations on cake 6. Rock on wall 7. Flag banner

# Resolving Conflict

This trio of pals are best friends, but sometimes even best friends can disagree. Was there a time when you and your friend had a conflict? What did you do to resolve it?

## Here are some great tips to solve a disagreement.

- Take a deep breath if you're getting overwhelmed! Think of other ways you can calm down.
- Identify what you're feeling and what the problem is. It's okay to ask an adult for help.
- How might your friend be feeling? Can you understand their point of view?
- Brainstorm a big list of solutions and choose what would work best for everyone!

# Making a Balloonian

Blue, Barry, and Pancakes love going on adventures, even intergalactic ones! You can too, by making your very own space Balloonian.

Ask an adult for help and follow the instructions below.

**What You'll Need:** Balloon (any inflatable object will do!) and markers.

### HOW TO MAKE A BALLOONIAN!

**Step #1**  
Choose a balloon.

**Step #2**  
Blow up the balloon.

**Step #3**  
Draw a face on the balloon.

**Step #4**  
Use your imagination and play!
